

AR-3600

asphalt and tar remover

Emil Anderson Asphalt Plant

April 2012

AR-3600 melts the asphalt and tar away

AR-3600 Asphalt+Tar Remover

- Effectively removes all asphalt formulations
- Non-toxic
- Biodegradable – 93% biobased
- Safe on painted surfaces – won't harm clear coat finishes
- Safe on all metals, including brass distributors and other equipment
- Contains a proprietary non-toxic detergent system for better penetration and clean-up
- Simple water wash down
- Excellent degreaser; may be used in parts washer as a cold degreaser
- Works on hot or cold mixes

Preventative maintenance keeps your equipment in good running order and also allows you to fix and repair damaged or worn out parts faster and more efficiently.
